Equerry's has been a huge asset to my feeding program. It has helped Rowdy's digestive issues tremendously.

After logging thousands of miles in a long rodeo season he qualified for the Prowest Rodeo Association Finals, Northwest Professional Rodeo Association Finals, and the Washington Barrel Racing Association Finals. Rowdy's health, physique, and mental clarity has never been better. We have since moved all our horses to Equerry's and couldn't be more impressed with the results.
